Web Developer | Freelance & Remote Work

Skilled in: HTML, CSS, JavaScript (DOM, Fetch API), Responsive Design, Git, API Integration

I help clients build and fix websites with clean, functional, and responsive designs. I specialize in **small to mid-size projects**, including bug fixes, UI improvements, and adding interactivity with JavaScript.

SKILLS

- Frontend: HTML5, CSS3, JavaScript (ES6+), Bootstrap, Tailwind CSS
- Tools: Git & GitHub, Responsive Design, SEO Basics, Debugging
- Freelance Strengths: Fast turnaround, clear communication, detail-oriented
- Proficiency in design software like the Adobe Creative Cloud, specifically Photoshop and Illustrator.

WORK HISTORY

WEB DEVELOPER

Target ICT Ltd, Leicester, United Kingdom (Remote) | January 2023 - Current

- Built and optimized 25+ websites, improving site load times by 30%.
- Integrated third-party APIs and custom JavaScript features to improve functionality.
- Converted design mockups into fully responsive, mobile-friendly websites.

IT SUPPORT ASSOCIATE

Fenico Company Ltd, London, United Kingdom | April 2016 - November 2023

- Installed, configured, and maintained computer hardware, printers, and network devices, reducing downtime incidents by 15%.
- Assisted with updating and maintaining the company website (basic HTML & CSS fixes), which improved site usability and reduced errors by 10%.
- Set up user accounts, email systems, and managed access permissions for 50+ employees, ensuring secure and efficient onboarding
- Trained staff on safe use of IT systems, improving efficiency and reducing help desk requests by 20%.
- Supported small-scale digital projects, including document digitization and web updates, helping transition 100+ records into secure digital storage.

SENIOR GRAPHIC DESIGNER

Souldek Consult, Nigeria | October 2015 - March 2016

- Led a full re-brand project for a mid-sized company, creating new logos, brand guidelines, and marketing assets that increased brand recognition by 40% across digital platforms.
- Designed and delivered visual assets for 30+ multi-channel campaigns (social media, email, print), contributing to a 25% boost in customer engagement and a 15% increase in sales within 6 months.
- Managed and mentored a design team of 5 junior designers, improving project turnaround times by 20% and reducing revision requests by 15%.
- Created UI/UX graphics for a company's new e-commerce platform, which improved customer navigation and helped increase online conversion rates by 18%.
- Oversaw production of 500+ print materials (posters, brochures, packaging) with external vendors, ensuring 100% on-time

delivery and reducing printing costs by 10% through optimized workflows.

GRAPHIC ILLUSTRATOR

Kru Ent., Port Harcourt, Nigeria | November 2011 - October 2015

- Assisted senior designers with creative projects, contributing to 10+ successful campaigns per quarter.
- Created digital image files for use in digital and traditional printing methods.
- Completed final touches for projects such as images sizes and font selection.
- Prepared final artwork for print, packaging, and digital deployment, ensuring 100% on-time delivery..
